- **Fresno CeaseFire is a strategy to reduce violence and recidivism in our community by bringing together the community, social services, and the justice system**
- **Fresno CeaseFire can only succeed with the involvement of the “moral voice” of the community**
- **Strategies similar to Fresno CeaseFire have been used across the country and in California to reduce violence and to assist gang members who choose to give up the gang life**
- **Please attend one of the Fresno CeaseFire Community Forums to learn about Fresno CeaseFire and how you can help**
